SOI/PPPOI UPDATES:

- CIG OSINT has observed social media posts by **Personal Info.** that suggest he does not believe that the Freedom Convoy 2022 has reached any agreement with the City of Ottawa to contain the protests.¹ On 2022-02-13, **Persona** stated in a Twitter post that, "No deal has been struck, the federal government has not yet lifted its mandates and passports..." Personal Info. has been providing logistical support and organizational know-how to protestors at Coventry Road. Personal Info. provides updates to his 21,000+ social media followers on Facebook.⁵
- CIG OSINT has identified a social media post believed to be made by Personal Info. which has been shared by a third-party on Twitter Personal Info. at approximately 1000 hrs.⁶ In the post, the user Personal Info. (known alias of Personal Info.) can be seen reacting to recent news suggesting that PM TRUDEAU may be in discussions to implement the Emergencies Act. Personal Info. claims that such a move would result in "attacks on our own citizens to intensify dramatically." Analytical Note: This appears to suggest that Personal Info. is claiming that the Government or law enforcement will begin using harsher means of controlling the Freedom Convoy 2022 protest.

- In addition, PPS-PI has identified Instagram posts by Personal Info. and Personal Info. which appears to also be in reference to the potential invocation of the Emergencies Act.
